

Photo & Media Consent

YouthPropel Ambassadors Programme 2026

As part of participating in YouthPropel programmes, students may appear in photographs, screenshots, recordings or other media captured during webinars, meetings, events or programme activities.

By registering for the YouthPropel Ambassador Programme, participants confirm that they consent to the following:

1. Website

YouthPropel may publish:

- Student name
- Grade
- School name
- City
- Country
- Student photographs and other digital media
- Ambassador achievements and recognition

on the official YouthPropel website.

2. Promotional Materials

YouthPropel may use approved photographs, screenshots or recordings in:

- Newsletters
- Annual reports
- Programme brochures
- Social media
- Presentations
- Future promotional materials

for educational and programme-related purposes.

3. Webinar Recordings

YouthPropel webinars may be recorded to enable registered ambassadors who are unable to attend live sessions to access the content later.

Participants understand that they may appear in these recordings.

4. No Commercial Sale

YouthPropel will not sell participant photographs or personal information to third parties.

5. Withdrawal of Consent

Participants may request removal of their publicly displayed photograph or profile by contacting YouthPropel.

Such requests will be processed within a reasonable period, although previously distributed publications or archived materials may not always be capable of amendment.

6. Parent and School Confirmation

All YouthPropel materials, presentations, graphics, logos, publications, webinars and programme resources remain the property of YouthPropel unless otherwise stated.

They may not be copied or redistributed without written permission.

7. Programme Changes

Participants confirm that:

- They have obtained any required permission from their parent or legal guardian.
- They have obtained any permissions required by their school.
- They understand how their information and media may be used by YouthPropel.
